CALIFORNIA WINE COUNTRY WILDFIRE RELIEF

October's wildfires in the heart of Northern California's wine country brought sweeping devastation to thousands of people. As relief and recovery efforts continue, the area and its people face great challenges in the months to come. As you are considering wine for your meal tonight, please note our selections from California winemakers.

For the month of November, The Ordinary will donate 5% of proceeds from the sale of all California wines in conjunction with

Winemakers & Sommeliers for California Wildfire Relief

www.wscwr.com

which directly benefits those in Sonoma, Napa, Mendocino and Yuba counties affected by wildfires.
